

problem 4

Write a C program to copy
one array elements to
another array using pointers

expected output:

```
C:\Windows\System32\cmd.exe
Microsoft Windows [Version 6.3.9600]
(c) 2013 Microsoft Corporation. All rights reserved.

E:\imt school\c pool\p118xxxx>gcc main.c

E:\imt school\c pool\p118xxxx>a.exe
Enter size of array: 5
Enter elements in array:
1
2
3
4
5

destination array after copying: 1, 2, 3, 4, 5,
E:\imt school\c pool\p118xxxx>
```
