

# problem 3

**Write a recursive function in C programming to print all even or odd numbers between 1 to n.**

# expected output:

```
C:\Windows\System32\cmd.exe
Microsoft Windows [Version 10.0.17134.228]
(c) 2018 Microsoft Corporation. All rights reserved.

E:\IMT C pool\functions\recursion\p3>gcc main.c

E:\IMT C pool\functions\recursion\p3>a
Enter lower limit: 0
Enter upper limit: 20
Even/odd Numbers from 0 to 20 are: 0, 2, 4, 6, 8, 10, 12,
14, 16, 18, 20,
E:\IMT C pool\functions\recursion\p3>
```
