problem 11

Write a C program to input a number from user and count total number of ones (1s) and zeros (0s) .

expected output:

```
C:\Windows\System32\cmd.exe

Microsoft Windows [Version 10.0.17134.228]
(c) 2018 Microsoft Corporation. All rights reserved.

E:\IMT C pool\Bitwise operator\p11>gcc main.c

E:\IMT C pool\Bitwise operator\p11>a
Enter any number: 10
Total zero bit is 30
Total one bit is 2
E:\IMT C pool\Bitwise operator\p11>
```
