problem 2

Write a recursive function in C programming to print all natural numbers between 1 to n.

expected output:

```
C:\Windows\System32\cmd.exe

E:\IMT C pool\functions\recursion\P2>g
cc main.c

E:\IMT C pool\functions\recursion\P2>a

Enter lower limit: 0
Enter upper limit: 10
All natural numbers from 0 to 10 are:
0, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10,
E:\IMT C pool\functions\recursion\P2>
```
